**PRESS RELEASE – September 2013**

**Universal Truckload Services, Inc. (“Universal”)** is proud to announce that we have been chosen as a Top 100 Trucker for 2013 by Inbound Logistics Magazine (as featured in the September 2013 issue).

**Quote from Felecia Stratton, Editor, Inbound Logistics**

Universal Truckload Services, Inc. (“Universal”) continues to help shippers gain a competitive edge through innovative solutions, cost-saving strategies and true partnerships. That’s why Inbound Logistics editors have recognized Universal as a 2013 Top 100 Trucker.

**TOP 100 Selection Methodology**

Inbound Logistics' Top 100 Truckers list serves as a qualitative assessment of service providers we feel are best equipped to meet and surpass readers’ evolving motor freight transportation needs. Distilling the Top 100 is never an easy task. Each year, Inbound Logistics editors select the best transportation providers by carefully evaluating submitted information, conducting personal interviews and online research, and comparing that data to our readers’ burgeoning motor freight and logistics challenges. IL editors selected this year's class of Top 100 Motor Carriers from a pool of more than 200 companies. The service providers we selected are companies that, in the opinion of IL editors, offer the diverse operational capabilities and experience to meet readers' unique supply chain and logistics needs.
