Forward Looking Statements

Some of the statements contained in this press release might be considered forward-looking statements. These statements identify prospective information. Forward-looking statements can be identified by words such as: “expect,” “anticipate,” “intend,” “plan,” “goal,” “seek,” “believe,” “targets,” “project,” “estimate,” “future,” “likely,” “may,” “should” and similar references to future periods. Forward-looking statements are based on information available at the time and/or management’s good faith belief with respect to future events, and are subject to risks and uncertainties that could cause actual performance or results to differ materially from those expressed in the statements. Examples of forward-looking statements include, among others, statements we make regarding guidance relating to income from operations, total operating revenues, and earnings per diluted share. These forward-looking statements are subject to a number of factors that may cause actual results to differ materially from the expectations described. Additional information about the factors that may adversely affect these forward-looking statements is contained in the Company’s reports and filings with the Securities and Exchange Commission. The Company assumes no obligation to update forward-looking statements to reflect actual results, changes in assumptions or changes in other factors affecting forward-looking information except to the extent required by applicable securities laws.
