### **Universal Logistics Holdings, Inc. Announces Preliminary Results of its Self-Tender Offer**

Warren, Michigan, June 16, 2022—Universal Logistics Holdings, Inc. (NASDAQ: ULH) today announced the preliminary results of its modified “Dutch auction” tender offer to repurchase up to 100,000 shares of its outstanding common stock, which expired at 5:00 p.m., Eastern Time, on Wednesday, June 15, 2022.

Based on the preliminary count by Computershare Trust Company, N.A. (“Computershare”), the depository for the tender offer, approximately 164,189 shares were properly tendered and not properly withdrawn at or below the expected final purchase price of \$28.00 per share, including shares that were tendered through notices of guaranteed delivery.

In accordance with the terms and conditions of the tender offer, the Company expects to acquire 164,189 shares at a final purchase price of \$28.00 per share, for an aggregate purchase price of approximately \$4.6 million. These shares represent approximately 0.62% of the Company’s issued and outstanding shares as of May 12, 2022. The total amount of shares expected to be purchased in the tender offer includes the Company’s right to increase the tender offer by up to two percent of the Company’s outstanding shares and also includes a total of 5,000 shares tendered by Mr. H.E. “Scott” Wolfe, a director of the Company. The determination of the final number of shares to be purchased and the final price per share is subject to confirmation by Computershare of the proper delivery of the shares validly tendered and not withdrawn.

The number of shares to be purchased and the price per share are preliminary and are subject to verification by Computershare and subject to change for a number of reasons, including if some or all of the shares tendered through notices of guaranteed delivery are not delivered within the applicable two trading day settlement period. The actual number of shares to be purchased and the final price per share will be announced following the expiration of the guaranteed delivery period and completion of the confirmation process by Computershare. The final results are not expected to be announced until at least June 21, 2022. Promptly after the announcement, Computershare will issue payment for the shares validly tendered and accepted for payment under the tender offer and will return shares tendered and not purchased in the tender offer.

The Company may purchase additional shares in the future in the open market subject to market conditions and through private transactions, tender offers or otherwise. Under applicable securities laws, however, the Company may not repurchase any shares until June 30, 2022. Whether the Company makes additional repurchases in the future will depend on many factors, including the number of shares purchased in this tender offer, its business and financial performance and situation, the business and market conditions at the time, including the price of the shares, and other factors the Company considers relevant.
